

Letter of recommendation

Jeppe Klitgaard (born 6 February 1997)
Lysemosen 41, Grauballe
DK-8600 Silkeborg
Denmark

Jeppe Klitgaard is working at Ans School as a temporary teacher. Jeppe started working here on 1 January 2018.

The first half year he substituted for teachers in classes from 1st to 9th form (pupils aged 6 to 16 years) in more or less all common subjects.

Since August 2018 Jeppe has been attached to a class consisting of 10 boys, who are all diagnosed with autism. The youngest is 12 years old and the oldest is 17 years old. They are all at diverse levels, which takes a lot of empathy, patience and educational skills to handle successfully within a strict and predictable structure. The children with special needs are being taught by two teachers. Some of the subjects Jeppe has been teaching are science, FabLab, maths, English and Danish.

Jeppe is very enthusiastic about science and he is very good at it, which has a positive feedback for the pupils. Generally, Jeppe is good at motivating our pupils. Jeppe has a forthcoming and caring attitude, which makes it easy for our students to gain confidence and trust, which is good for children with special needs. Jeppe is good at communicating his high level of knowledge at an understandable level.

Jeppe is a well-liked colleague, who contributes with educational ideas within our strict structure. His attendance is always punctual. We highly recommend Jeppe, who is a colleague with high integrity, who takes his work seriously.

Please do not hesitate to contact me, should you need any further information.
